
BHANUSHALI CHAMBER OF COMMERCE

UNITED BY THE POWER OF IDEAS

OUR INSPIRATION - THE SHREE KUTCHI BHANUSHALI SEVA SAMAJ TRUST

- Bhanushali community was small, inadequate financial resources and low literacy level
- Started as a social service organisation in 1929, The Shree Kutchi Bhanushali Seva Samaj Trust (KBSST) culminated to the formation of the Trust in 1934
- Bhanushali community started migrating from Kutch to Mumbai for work
- With the inspiration of Shree Odhavramji Maharaj, Bhanushali Wadi came into existence in 1952
- From its inception, the Trust has been working relentlessly to bring all the needy people of the community at par with the others in the world with respect to education, profession, sports, cultural activities, etc.
- Providing Higher Education to the students has been a constant aim of the Seva Samaj. In order to focus on such projects “Param Pujya Sant Shri Odhavram Education Foundation” (PPSSOEF) was established
- Today many Kutchhi families have experienced their lives virtually being transformed, They have been given the opportunities, which once were almost impossible

WHERE ARE WE TODAY

- Our Samaj has been working on providing support to Bhanushali Community in the areas of:
 - Education and hostels for students
 - Medical
 - Housing
 - Virpasli Fund to widows
 - Promoting cultural & sports activities
 - Providing support during natural calamities
 - Organizing and promoting spiritual activities
- As an outcome, there is prosperity and visible change in the education level in the Community
- Today we are a community of more than 125,000 peoples spread across the world with a majority of us compose of young generation

WHAT NEXT

I have completed my education, where do I go for guidance?

I have an innovative idea, what do I do?

I have an existing business, how do I grow my business?

I am not being heard by local and national authorities, which forum should I approach?

I am user, how do I get best service at economical price?

I am professional / businessman, how do I network with my colleagues?

SOLUTION IS WITHIN OURSELVES – FORMATION OF BHANUSHALI CHAMBER OF COMMERCE

- **Vision** - Sanhati Karyasadhika, the Power of Unity. Help each other, innovate new ideas, network with each other to promote trade, services and excel professionally, achieve more and more by working together and create positive impact on individual and also on the Community at large
- **Mission** - Creating a world-class Global Body where people or group of people from all the fields, whether new comers or established businessmen, professionals, industrialists, entrepreneurs, or local mandals or Gaam Mandals, come together and connect with each other for social and economic upliftment of the Community at large through sharing of knowledge, experience and promoting trade within the members
- Creation of an online platform:
 - for networking with other members to promote business and professional network
 - online application for jobs, providing career guidance, exchange of business ideas and trade website
- Strength of unity and collaboration:
 - increasing negotiation power to obtain better service at lowest price
 - representation before statutory authorities / other trade bodies

VALUES - THE FOUNDATION OF THE INSTITUTION

- **Entrepreneurial spirit** - services and products of the highest quality that support the needs of the members
- **Level playing field** - everyone has an opportunity to succeed
- **Integrity** - highest of ethical standards
- **Community** - connect businesses to each other, to prospective customers and to essential resources. We facilitate connections that lead to long-term business relationships built on trust
- **Lifelong learning** - help prepare people of all ages to fill job openings by advocating for education that is linked to job skills
- **Innovation and tradition** - a proactive and forward-thinking organization that add value to meet the needs of an ever-changing world. Embrace the possibilities of the future while preserving our community's rich history
- **Sustainability** - provide resources to help our community become more eco-friendly
- **Diversity** - respect the variety of people, businesses and ideas in our community and consider this diversity to be an advantage
